

AP Exam Review & The Investigative Task

With your friends:

Jared Derksen & Bob Lochel

mrmathman.com/talks

All the stuff!

Know your culture...

- Senioritis?
- Still earning college credits?
- Forced to take the exam?
- Will work for “points”?

Cumulative Review

- Super Six
- mrmathman.com
- The Nifty Nine
- Review sets in your textbook
- PPC's
- Keep it short!!

Mix it up!

- Deciding what to do
- Name that test!
- Plenty of old FRQ's
- On a timer
- FRAPPY style
- Use Index from Josh

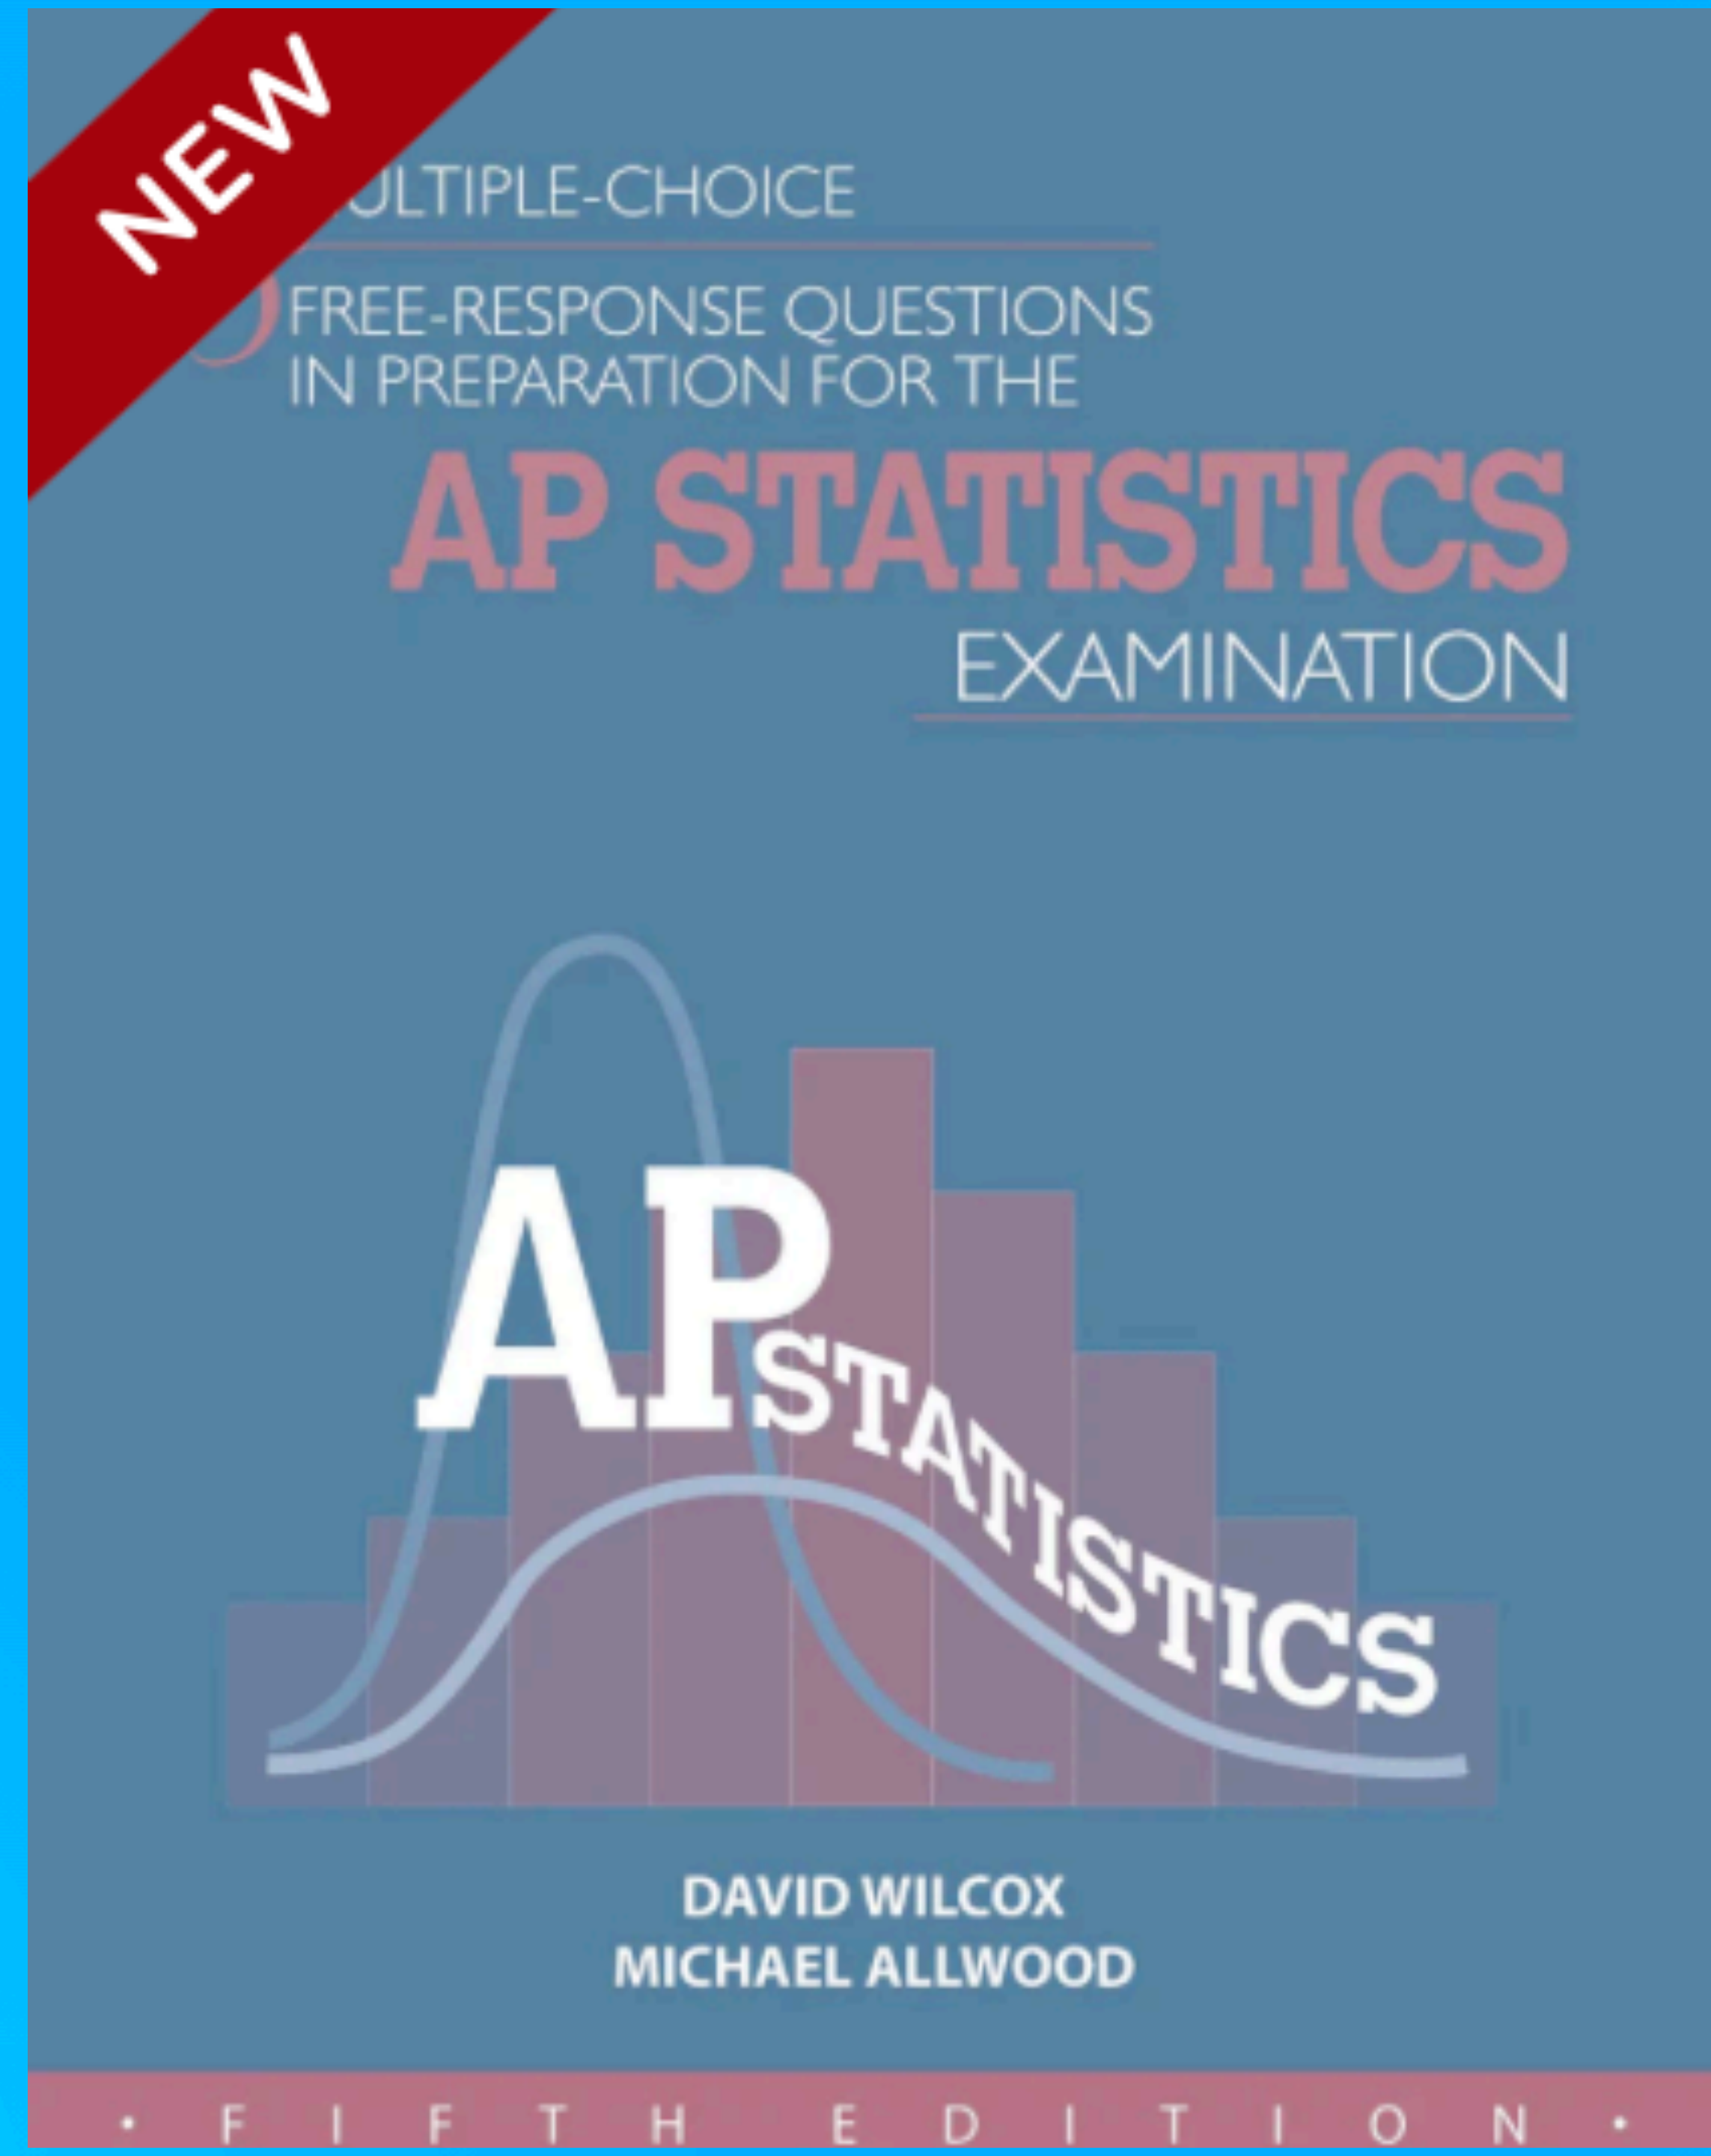

Practice Tests

- Know your kids
- FRQ is better than MCQ for timing
- AP Classroom is loaded!
- Beware a graded final exam
- Clemson exams can be handy
- Josh made a folder...

So much more...

- D&S
- Barron's or 5 Steps
- AP Classroom
- Skew, Medic...

FRQ Summary

1. Exploring data
2. Collecting data
3. Probability
4. Inference
5. Multi-focus
6. Investigative Task

****The order of #1-5 may vary, but this has been the order the last three years.**

Cut Score Averages ...

- 5 = 68%
- 4 = 55%
- 3 = 42%
- 2 = 31%

Match the rubrics!
